

Self Adhered and Fluid Applied Installer Course Registration Form

Dates: October 24-26, 2017 **Location:** Dallas, TX

Deadline for Registration is: Monday, October 9th at 12:00 PM CDT

Description

- ABAA courses are open to everyone and are a great training opportunities for all. There is NO experience needed to attend one of our great training courses. Those who would benefit from training include manufacturers, sales reps, general contractors, architectural reps, and anyone in the construction industry.
- This course is designed to prepare experienced SAFL installers how to create an Air Barrier using Self Adhered and Fluid Applied materials. This course includes instruction on everything from selecting proper materials, substrate preparation, application technology, troubleshooting and hands-on training.
- For certification purposes only, a minimum of 3000 hours of work experience either directly with air barriers or in applicable related trade experience is required.
- It is an ABAA policy that each company employs one person trained in an ABAA Installer Training Course **and** one person trained in the Quality Assurance Program Administrator Course. This can be the same individual.

Important Information:

- ABAA reserves the right to cancel with a minimum 5 days' notice, based on lack of registrants
- Students who cancel their registration with less than 5 business days' notice will not receive a refund
- We advise all students to hold off on making any travel arrangements until the class has been confirmed as proceeding
- Attendees are responsible for travel and accommodation costs
- Class sizes are limited. Complete registration forms are processed in the order in which they are received.
- Missing information on submitted forms **may** result in not being able to attend the course.

Please Note:

- If you are looking to be certified, there is accompanying paperwork that must be completed and will be provided during training.
- It is one registration form per person.
- Payment must be received prior to the start of the course.

I have read and understood all of the information stated above.
