7.5 Should ABAA elect to suspend rather than terminate a Contractor Licensee, ABAA shall give the Accredited Contractor an opportunity to cure its default. To that end, ABAA shall notify the Contractor Licensee in writing of the suspension of license and membership, identify the default to be remedied, and specify the time granted to the Contractor Licensee to correct said default. If the Contractor Licensee fails to correct said default within the specified time, ABAA may, in its sole discretion, terminate, this Agreement. Should ABAA suspend a Contractor Licensee, the Contractor Licensee shall pay in full any fees due and payable to ABAA prior to re-instatement.

7.6 In the event of a suspension, or should this Agreement be terminated for any reason, the Contractor Licensee shall immediately:

- (a) cease to use, directly or indirectly, the Certification Mark(s) and the QAP, in any manner and for any purpose whatsoever;
- (b) remove the Certification Mark(s) and any reference to the QAP from any and all materials, including without limitation packaging, signs and advertisements, under its custody or control upon which the Certification Marks or reference to the QAP appears, and shall deliver up same to ABAA upon request;
